SPA will be the standard while calculating the application fee, cancellation fee, penalty fee, and compensation for alternating tours. All participants who are aged 12 and older from the date of the beginning of the tour shall be charged the “adult fee”, while those who are between the ages of three and 11 shall be charged the “child fee”. Please note that there may not be a “child fee” for certain tours, in which case all applicants regardless of their age will be charged the “adult fee”. There are certain tours that offer a “baby fee” for applicants under the age of three. However, if the applicant turns three years old during the tour, he or she will fall into the “child” or “adult” category (depending on the tour rules) and should purchase the applicable tickets or items for the returning part of the tour.

**5. Payment of the Tour Fee**

	8 – 20 days	20% of the tour fee
	2 – 7 days	30% of the tour fee
ONE DAY before the beginning date		40% of the tour fee
The beginning date		50% of the tour fee
Cancellation after the tour started or no-show		100% of the tour fee

\* The above standard applies to optional plans affiliated with a tour. 100% of the tour fee will be taken as fees for cancellation after the tour has started.

\* This cancellation fee also applies to applicants who wish to change the beginning date of the tour, the tour course, transportations, accommodations, or any parts in the originally applied tour.

\* The above-mentioned “after the tour has started” is defined as the timing when the applicant receives the service provided by ANA. For example, if the tour begins with meeting with a tour guide or ANA staff, the timing starts after the meeting time ends. If the tour starts with a flight, the above timing starts after the check-in procedure in the assigned airport.

**7. Travel Guarantee**

In the case of important changes to contract contents, ANA will reimburse the amount paid at a fixed aggregated rate. For more details, please see the separate travel terms and conditions (the Full Document).
