Tour planning · facilitation : ANA Sales Co. Ltd. / Tour planning ASX  
〒103-0027 2-14-1 Nihonbashi, Chuo-ku, Tokyo  
Japan Tourism Agency Registered #1656

**ANA Sales Co., Inc. Terms and Conditions for Domestic Planned Group Tour (Abstract)**  
Please read carefully before applying.

**1. Contract for Planned Group Tour**

This tour is planned, recruited and implemented by ANA Sales Co., Ltd. (referred to as ANA), and a contract will be signed between the participants of the tour and ANA. The terms and conditions of the contract are based on the introductory brochure of the tours, the ANA website, other supplementary documents or articles, a finalized schedule provided prior to the tour, and the parts of conditions listed in the Contract Travel Agency Formalized Planned Recruiting Tour (referred to as the Contract).

**2. Application for the Tour and Establishment of the Contract**

1) i) ANA, and ii) all agencies that are established under the Travel Industry Act (both i and ii are referred to as the Agencies) can accept the application of signing a tour contract or reservation for a tour from the customers.

2) In cases where customers are applying over the counter, customers are required to fill out an application form and submit with an application fee to complete the application process.

3) The agencies can take applications from customers via phone, fax, postal services, online, or by other applicable communication means. In such cases, customers are required to complete and submit the application form with application fee (or credit card number) within three days after the next day when the application is made to the agencies (or within the appointed time frame if the application is made online), or the application will be automatically cancelled.

4) The application fee will be a part or all parts of the tour cost, cancellation fee or penalty fee mentioned below.

Tour Cost (per person)	Application Fee*
Less than JPY 30,000	JPY 6,000
JPY 30,000 – 59,999	JPY 12,000
JPY 60,000 – 99,999	JPY 20,000
JPY 100,000 – 149,999	JPY 30,000
150,000 or above	20% of the total tour cost

\*The maximum application fee will be the total amount of the tour cost.

5) Please follow the instructions in the brochures or on the website that state the different rules and terms for payment.

**3. Application Conditions**

1) For applicants who will be under the age of 15 on the starting date of the tour, accompaniment by a guardian is necessary. Any applicant who is under the age of 15 is not eligible to sign the contract. Applicants aged from 15 to 19 are required to obtain permission from their guardians prior to applying for tours.

2) ANA maintains the right to refuse applications if the tour(s) being applied for is designated for special purposes or under certain conditions (age, skills, techniques, etc.) and the applicants fail to meet the conditions.

3) No applications will be accepted for applicants related to a violent group, counter-social organization or similar associations.

4) ANA maintains the right to refuse applications due to certain business conditions.

**4. Standardized Payment Amount**

Standardized Payment Amount (SPA) refers to the amount that has been listed on the brochures or website as “tour fee”, “main tour fee”, and “additional tour fee”, with deduction of any “discounted amount”. SPA will be the standard while calculating the application fee, cancellation fee, penalty fee, and compensation for alternating tours. All participants who are aged 12 and older from the date of the beginning of the tour shall be charged the “adult fee”, while those who are between the ages of three and 11 shall be charged the “child fee”. Please note that there may not be a “child fee” for certain tours, in which case all applicants regardless of their age will be charged the “adult fee”. There are certain tours that offer a “baby fee” for applicants under the age of three. However, if the applicant turns three years old during the tour, he or she will fall into the “child” or “adult” category (depending on the tour rules) and should purchase the applicable tickets or items for the returning part of the tour.

**5. Payment of the Tour Fee**

Applicants must pay the full amount of the tour fee no less than 21 days prior to one day before the beginning date of the tour. For applications made less than 21 days before the beginning date, the fee must be paid on the appointed date instructed by the agencies.

**6. Cancellation Policies**

If the applicants cancel the tour after the application is approved, the cancellation fees indicated in the table below applies. If part of a group of applicants cancels the tour, the cancellation fee will be calculated based on the number of participants staying in one ROOM.

Cancellation Date		Cancellation Fee
From the date indicated on the right side until ONE day before the beginning date of the tour	21 or more days	Free
	8 – 20 days	20% of the tour fee
	2 – 7 days	30% of the tour fee
ONE DAY before the beginning date		40% of the tour fee
The beginning date		50% of the tour fee
Cancellation after the tour started or no-show		100% of the tour fee

\* The above standard applies to optional plans affiliated with a tour. 100% of the tour fee will be taken as fees for cancellation after the tour has started.

\* This cancellation fee also applies to applicants who wish to change the beginning date of the tour, the tour course, transportations, accommodations, or any parts in the originally applied tour.

\* The above-mentioned “after the tour has started” is defined as the timing when the applicant receives the service provided by ANA. For example, if the tour begins with meeting with a tour guide or ANA staff, the timing starts after the meeting time ends. If the tour starts with a flight, the above timing starts after the check-in procedure in the assigned airport.

**7. Travel Guarantee**

In the case of important changes to contract contents, ANA will reimburse the amount paid at a fixed aggregated rate. For more details, please see the separate travel terms and conditions (the Full Document).

**8. Travel Terms and Conditions / Travel Fee Reference Date**

The terms and conditions stated here are valid from January 1, 2018. Also, travel fees are valid from July 1, 2019. Fees and regulations are calculated from this date.

**9. Management of Personal Information**

1) ANA utilizes personal information obtained from customers for the following purposes: contacting the customer, travel reservations, accommodations, insurance. This information includes the customer’s name, address, telephone number, email address, etc. The usage of this information is limited to the above-mentioned purposes.

2) For more information on our privacy policy, please see our homepage (<http://www.anas.co.jp>).

• Travel fee includes miscellaneous tax and service fees. All potential applicants will receive a document from ANA stating travel terms and conditions, as well as details explaining our management of personal information (privacy policy). Please refer to this before making your application.
